

ACTS

ACTS provides server and desktop support for small and medium sized businesses throughout North Florida. ACTS also provides web development and application development services.

BENNETTS

At Bennetts, we strive to be your first choice for business technology and services. To do so, we offer the best products available and employ only the most qualified, well trained team of experts in our marketplace. From office equipment solutions to workflow automation and print management, we can help you save time, save space, save labor and money through our customized discovery and analysis offerings.

DEX IMAGING

We sell & service award-winning printers, copiers, fax units, multifunctional systems, large format devices, and a full line of document management solutions that provide Bate Stamping. We also offer a depth of experience and expertise that separates us from our competitors. DEX imaging was founded in 2002 with these two main objectives in mind: 1) to create a privately-held dealership that focuses solely on quality service (without the conflicting objectives that publicly-held imaging companies face); and 2) to give back to the community by donating one third of the company's profits to charities and educational programs within the markets where DEX does business.

DOCUMENT TECHNOLOGIES, INC.

DTI provides end-to-end, on-site/off-site facilities management and litigation service solutions. FM services include superior on-site management/staff; personal attention from off-site team; unbiased MFD equipment recommendations; impression management; automated document routing from device or desktop; back office scanning for "less paper" environment; and on-site litigation service solutions including scanning, OCR, branding Bates labeling, push button load files and blowback printing. FM services also include records management; court filing, docket, and other legal support services.
